RELEASE FROM PROPERTY DAMAGES
AND
ACKNOWLEDGEMENT OF MEMBER
RESPONSIBILITIES

I understand that:

Trinity Valley Electric Cooperative, Inc. and Contractor crews use due care when they enter my property to construct, upgrade, or repair electrical distribution lines.

- 1. Heavy trucks and equipment may leave ruts on my property when TVEC crews and Contractor crews work during or after wet weather conditions...
2. If trees are cut down or trimmed near service lines and power lines on my property...

Thus, to provide me the services I request, I hereby release Trinity Valley Electric Cooperative, Inc. and Contractor crews from damages occurring to my property because of wet conditions.

I understand that:

It is my responsibility to clearly mark and expose water lines, septic lines, and field lines, and any other similar items before TVEC and contractor crews enters my property to provide me service.

Thus, I hereby release Trinity Valley Electric Cooperative, Inc. and contractor crews from damages occurring to my property if I fail to have the above items clearly marked when TVEC or contractor crews enter my property.
