

TRINITY VALLEY ELECTRIC COOPERATIVE

RELEASE FROM PROPERTY DAMAGES AND ACKNOWLEDGMENT OF MY RESPONSIBILITIES

I understand that:

1. Trinity Valley Electric Cooperative, Inc. and Contractor crews use due care when they enter my property to construct, upgrade, or repair electrical distribution lines.
2. Heavy trucks and equipment may leave ruts on my property when TVEC crews and Contractor crews work during or after wet weather conditions, or other wet conditions that may be caused by septic system leaks, by my watering the yard, or other things I may do.
3. If trees are cut down or trimmed near member's service lines and power lines on my property (green trees, dead trees, or leaning trees) at my request, that it will be my responsibility to remove the trees and debris. Furthermore, if the trees are cut or trimmed by TVEC crews or right-of-way contractor as part of our normal right-of-way maintenance, the debris will be removed from my property unless some other arrangements have been made between the Cooperative and the property owner.

Thus, to provide me the service I request, I hereby release Trinity Valley Electric Cooperative, Inc. and Contractor crews from damages occurring to my property because of wet conditions.

I understand that:

It is my responsibility to clearly mark and expose water lines, septic lines, and field lines, and other similar items before TVEC and contractor crew enters my property to provide me service.

Thus, I hereby release Trinity Valley Electric Cooperative, Inc. and Contractor crew from damages occurring to my property if I fail to have the above items clearly marked when TVEC or Contractor crews enter my property.
