Without limiting the generality of the foregoing:

- a) the presence at a meeting of either or both shall constitute the presence of one member and a joint waiver of notice of the meeting.
- b) notice to, or waiver of notice signed by either or both shall constitute, respectively, a joint notice or waiver of notice.

The membership fee may be returned upon termination of all service: **PROVIDED**, that all amounts due the Cooperative are paid.

Section 4. Purchase of Electric Energy. Each member shall, as soon as electric energy shall be available, purchase from the Cooperative all electric energy purchased for use on the premises referred to in the application for such member for membership, and shall pay therefore monthly at rates which shall from time to time be fixed by resolution of the Board of Directors: **PROVIDED**,

HOWEVER, that the electric energy which the Cooperative shall furnish to any member may be limited to such an amount as the Board of Directors shall from time to time determine and that each member shall pay to the Cooperative such minimum amount per month as shall be fixed by the Board of Directors from time to time, regardless of the amount of electric energy consumed. Each member shall also pay all obligations which may from time to time become due and payable by such member to the Cooperative as and when the same shall become due and payable. Any member who tampers with the Cooperative's transformers, meters, lines, poles or any other property of the Cooperative, shall be subject to having his electric service immediately disconnected by the Cooperative and any such act on the part of a member shall be grounds for immediate expulsion from membership in the Cooperative.

Any member expelled by the Board of Directors of the Cooperative may be reinstated as a member at any annual or special meeting of the members, by a vote of a majority of the members present and voting. The action of the members with respect to any such reinstatement shall be final.

- b) A membership may be transferred by a member to himself or herself and his or her spouse, as the case may be, jointly upon the written request of such member and compliance by such husband and wife jointly with the provisions of subdivisions (b) and (c) of Section 1 of this Article. - c) When a membership is held jointly by a husband and wife, upon the death of either, such membership shall be deemed to be held solely by the survivor with the same effect as though such membership had been originally issued solely to him or her, as the case may be: **PROVIDED; HOWEVER**, that the estate of the deceased shall not be released from any membership debts or liabilities to the Cooperative; nor shall such estate forfeit its right to any capital credits to which it may be entitled, or become entitled, under these Bylaws.

Each member shall participate in any required program and comply with related rates and service rules and regulations that may be established by the Cooperative to enhance load management, more efficiently to utilize or conserve electric energy, or to conduct load research.

ARTICLE II MEETING OF MEMBERS

Section 1. Annual Meeting. The annual meeting of the members for the purpose of electing directors, passing upon reports covering the previous fiscal year, and transacting such other business as may come before the meeting, shall be held between August 1 and December 1 of each year, at such place in one of the counties in Texas within which the Cooperative serves, at a place centrally located and easily accessible to the entire membership of the Cooperative. The place and time of the annual meeting shall be as fixed by the Board of Directors. Failure to hold the annual meeting at the designated time and place shall not work a forfeiture or dissolution of the Cooperative.

If at any annual meeting of the members of the Cooperative, a quorum is not present to elect new directors, those directors whose term would otherwise expire shall continue in office as new directors for the ensuing term, and until their successors again come up for regular election under these Bylaws.

Section 2. Special Meetings. Special meetings of the members may be called by the Chairman, the Board of Directors or a majority thereof, or upon written request signed by at least ten percent (10%) of all the members and validated by the Cooperative, and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided. Special meetings of the members may be held at the office of the Cooperative in the City of Athens, Henderson County, Texas, or in the City of Kaufman, Kaufman County, Texas, or at such other convenient place in either of such Counties in the State of Texas, as may be specified in the notice of the Special Meeting.

Section 3. Notice of Member Meetings. Written or printed notice of the place, day and hour of the meeting and, in case of a special meeting or of an annual meeting at which business requiring special notice is to be transacted, the purpose or purposes of the meeting shall be delivered to each member not less than ten (10) days nor more than thirty (30) days prior to the date of the meeting, either personally or by mail, by or at the direction of the Chairman or the Secretary (and in the case of a special meeting, at the direction of him/her or those calling the meeting). Any such notice delivered by mail may be included with members' service billings or as an integral part of or with the Cooperative's monthly newsletter and/or its monthly insert. No matter shall be acted upon at any meeting of the members unless notice of such matter shall have been contained in the notice of the meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the member at his address as it appears on the records of the Cooperative, with postage thereon prepaid and postmarked not less than ten (10) days prior to the meeting date. In making such computation, the date of the meeting shall not be counted. The incidental and unintended failure of any member to receive a notice deposited in the mail and addressed to the member at his address as shown on the Cooperative's books shall not invalidate any action which may be taken by the members at any such meeting, and the attendance in person of a member at any meeting of the members shall constitute a waiver of notice of such meeting unless such attendance shall be for the express purpose of objecting to the transaction of any business, or one or more items of business, on the ground that the meeting shall not have been lawfully called or convened. Any member attending any meeting for the purpose of making such objection shall notify the Secretary prior to or at the beginning of the meeting of his objection.

Section 4. Quorum for Meetings. Three percent (3%) of the total number of members present at a meeting in person (if voting in person is allowed at such meeting) or represented by mail ballot shall constitute a quorum for the transaction of business at all meetings of the members. If less than a quorum is present at any meeting, a majority of the members present in person may adjourn the meeting from time to time without further notice.

Section 5. Presiding Officer. The Chairman of the Cooperative may preside over the annual meeting, or the Chairman may appoint anyone he/she may so designate to preside over the annual meeting. The presiding officer shall follow the order of business as stated in Section 8 of this Article. If any member at any annual meeting of the Cooperative requests new business be taken up at said meeting, there may be a discussion of the new business; however, no matter which would require the vote of the membership may be taken up and voted on at an annual meeting unless advance notice in writing has been given to the Board of Directors prior to the annual meeting so as to permit sufficient time to notify the members of the Cooperative that such matter would be discussed and submitted to a vote of the membership at said annual meeting. Failure to notify the Board of Directors in advance of the annual meeting so as to give sufficient time to notify the members on any matter which would require a vote of the membership that a matter would be discussed and voted on at the annual meeting

will prevent any vote on such issue at that year's annual meeting, and such matter will have to be resubmitted by the member in writing and presented to the Board of Directors in sufficient time to permit the directors to notify the membership of the Cooperative that such matter will be discussed and voted on at the following annual meeting of the Cooperative.

Section 6. Items on Agenda. The membership of the Cooperative may require the Board to place an item on the agenda for a vote, consistent with the provision outlined in Section 7 of this Article, at the next annual meeting by presenting to the Cooperative at least one hundred twenty (120) days prior thereto a petition signed by at least ten percent (10%) of the membership. Authentication and validation thereof are hereby inferred.

Section 7. Voting. To be qualified to vote at any annual meeting or special meeting of the members, a member must have been accepted as a member by the Board of Directors of the Cooperative or its assigns, and his membership must have been in active use continuously for a period of sixty (60) days previous to the date of any such meeting. A corporation, firm or body politic, which is a member of the Cooperative and otherwise meets the requirements of these Bylaws, shall be entitled to one vote. Each such corporation, firm or body politic shall designate the officer or agent who shall be authorized to cast its vote. Before voting such officer or agent shall present evidence of his authority to cast the vote of such corporation, firm or body politic.

Notwithstanding anything to the contrary contained herein, the following shall apply:

- a) At all meetings of members, a member may vote only by mail ballot unless the Board determines by resolution to allow voting in person and by mail ballot, or voting in person only. If the Board so determines, notice of the Board's determination shall be included in the notice of the meeting. Voting by proxy shall not be allowed. Each member shall be entitled to only one vote on each matter submitted to a vote at a meeting of the members. All questions shall be decided by a vote of the majority of the members voting thereon, except as otherwise provided by law, the Articles, or these Bylaws.
- b) In connection with any matter of business of the Cooperative, including the election of directors, submitted to a vote at a meeting of the members where the members are required or allowed to vote by mail ballot, the Board shall cause written or printed mail ballots to be prepared and mailed to the members for their action. Ballots so mailed shall specify the member meeting to which they correspond, list each issue or question submitted and, if directors are to be elected, list the names of person(s) nominated for directors, and each mail ballot shall contain and provide a place where the member may indicate such member's vote. Each member shall be instructed that such member's mail ballot must be received by 5:00 p.m. at the Cooperative's principal office or such other location as determined by the Board at least two (2) days before the date of the meeting. If members are allowed to vote in person at the member meeting specified in such ballot, then members submitting a completed mail ballot may not vote in person at such meeting regarding any matter described in such ballot. Each mail ballot must be properly authenticated and/or validated.
- c) The Board shall cause to be selected a Certified Public Accounting firm to tabulate mail ballots prior to the meeting of members, and said Certified Public Accounting firm shall certify as to the accuracy of all such tabulation.

Notwithstanding anything to the contrary contained herein, the following provisions shall apply, to-wit:

- a) In the unforeseen event of a tie, a designated officer of the Nominating Committee shall determine the winner via the flip of a coin.
- b) In the unforeseen event that a candidate should die or become incapacitated after the ballot is printed, the Nominating Committee shall have the discretion to remove his or her name from the ballot and select his or her successor, if any.
- c) In the situation where there are multiple candidates for a given position, the candidate who receives the most votes shall be declared the winner without the need or necessity of a runoff.

Section 8. Order of Business. The order of business at the annual meeting of the members, and so far as possible, other meetings of the members, shall be essentially as follows:

- a) Report on the number of members present in person or voting by absentee mail ballot in order to determine the existence of a quorum.
- b) Reading of the notice of the meeting and proof of the due publication or mailing thereof, or the waiver or waivers of notice of the meeting, as the case may be.

- c) Reading of unapproved minutes of previous meetings of the members and the taking of necessary action thereon.
- d) Presentation and consideration of reports of officers, directors and committees.
- e) Election of directors.
- f) Unfinished business.
- g) New business.
- h) Adjournment.

Notwithstanding the foregoing, the Board of Directors or the members themselves may from time to time establish a different order of business for the purpose of assuring the earlier consideration of and action upon any item of business the transaction of which is necessary or desirable in advance of any other item of business.

Section 9. Electronic Notice, Documents and Actions. Notwithstanding any provision of these Bylaws to the contrary, with the approval of the Board of Directors, an annual or special meeting of the Members may be conducted with members participating but not physically present but deemed present in person through a means of communication by which all members participating in the meeting may simultaneously hear, reasonably and verifiably identify themselves, and generally simultaneously and instantaneously communicate with each other during the annual or special meeting of Members.

ARTICLE III DIRECTORS

Section 1. General Powers. The business and affairs of the Cooperative shall be managed by a board of seven (7) directors which shall exercise all of the powers of the Cooperative except such as are by law, or by the Articles of Incorporation of the Cooperative or by these Bylaws conferred upon or reserved to the members. A Director shall be a “natural person” as that term is normally and customarily construed.

Section 2. Qualifications. No person shall be eligible to become or remain a director, or hold a position of trust in the Cooperative who:

- f) has been convicted of a felony.
- g) is absent from three consecutive Board meetings, regular or special, or is absent from more than one-half of the Board meetings, regular or special, in any six-month period. The Board may, for good cause, excuse any absence and if excused shall not affect the director’s eligibility to serve.

- i) must be of at least legal age required in Texas to contract and conduct business.
- j) must be a citizen of the United States.

Member in Good Standing shall mean a member who has and continues to fulfill the requirement of membership in the cooperative; and who has not had an uncollectable debt with the cooperative within the past five years; and does not have pending litigation against the cooperative, or is a participant thereto, directly or indirectly.

Upon establishment of the fact that a director is holding the office in violation of any of the foregoing provisions, the Board shall remove such director from office.

Nothing contained in this section shall affect in any manner whatsoever the validity of any action taken at any meeting of the Board.

Section 3. Tenure of Office. The term of office of a Director shall be three (3) years or until the office to which such Director is elected is declared vacant in accordance with the provisions of these Bylaws with respect to the resignation, removal or disqualification of Directors. As provided for

in the Articles of Consolidation, the directors districts shall be staggered and divided into three separate election years that will result in a district coming up for election every third year. These classes shall be identified as follows prior to the 2006 annual meeting of the members by their expiration year, term and grouping.

Election Year 1 – District 3

Election Year 2 – Districts 2,6,7

Election Year 3 – Districts 1,4,5

At the annual meeting for the election of directors in each year, the successors to the directors of the class whose terms of office shall expire at the meeting shall be elected to hold office for a term which shall expire at the third annual meeting of members after the annual meeting at which such directors shall have been elected, so that the term of office of one class of directors shall expire in each year. The directors whose terms expire at an annual meeting shall be elected at such annual meeting. Each director shall hold office for the term of the class specified above at which the director was elected or appointed and until his successor shall have been elected at the next election for such class and shall have qualified, or until his earlier death, resignation, retirement, disqualification or removal.

The Board of Directors is granted the power to reduce the number of directors by amending these Bylaws. In the event the number of directors is reduced, the Board of Directors shall re-district in accordance with the provisions of these Bylaws to eliminate the vacated district.

Section 4. Districts. The territory served or to be served by the Cooperative shall be divided into seven (7) districts. Each district shall be represented by one Board Member. The seven (7) districts shall be as described in Exhibit "A" attached hereto. Not less than sixty (60) days before any meeting of the members at which board members are to be elected, the board shall review the composition of the seven districts and, if it should find inequalities in representation which could be corrected by a revision of the boundary lines of the districts, the board shall so revise the boundary lines of the districts so that each shall contain substantially the same number of members.

Section 5. Nominations. It shall be the duty of the Board of Directors to appoint, not less than 60 days nor more than 90 days before the date of a meeting of the members at which directors are to be elected, a Committee on Nominations consisting of not less than five (5) nor more than sixteen (16) members. At least one (1) member of the Committee shall be selected from each district in which a director is to be elected. No employee, agent, officer, member of the Board of Directors or known candidates for the Board of Directors or close relative of employees, agents, officers, members of the Board of Directors or known candidates for the Board of Directors shall be appointed a member of such Committee. The purpose of the committee is to determine that any member who has completed the necessary Nomination Form needed to be considered as a candidate for the board of directors, meets all the qualifications that is stated in Article III, Section 2 of these Bylaws. The Nominating Committee shall determine if a member meets the qualifications for director pursuant to these Bylaws, and nominate them to be placed on the ballot for election at the Annual Meeting of the membership. The Committee shall prepare and post at the principal office of the Cooperative at least twenty (20) days before the meeting, a list of nominations for directors. The Secretary shall mail with the notice of the meeting, a statement of the number of directors to be elected and the names and addresses of the candidates. The names of the candidates shall be arranged by districts.

Notice shall be given to each member residing within a district from which a director is to be elected at the forthcoming meeting that a director is to be elected to serve said district at such meeting. Said notice shall advise the members where Nomination Forms containing the necessary requirements are available. Any Nominations Forms must be filed with the Nominating Committee on or before the designated date in the notice.

Nominations for director may not be made from the floor at a meeting of members.

Section 6. Vacancies. Subject to the provisions of these Bylaws with respect to the filling of vacancies caused by the removal of board members by the members, a vacancy occurring in the board shall be filled by the affirmative vote of a majority of the remaining board members for the term for which they are appointed and until the successor(s) shall have been elected and shall have been qualified.

Section 7. Compensation. The Board of Directors is authorized to set by Board policy the compensation for members of the Board of Directors unless such compensation is superseded by the member or members' vested rights arising out of his/her service on the Board of Directors of Kaufman County Electric Cooperative, Inc. or New Era Electric Cooperative, Inc.

Board members, including those whose vested rights do not include health, hospital or business insurance, shall be entitled to participate for themselves and their dependents in the employees' health, hospital and business insurance programs of Trinity Valley Electric Cooperative, Inc. at their own expense.

Section 8. Rules, Regulations, Rate Schedules and Contracts. The Board of Directors shall have power to make, adopt, amend, abolish, and promulgate such rules, regulations, rate schedules, contracts, security deposits and any other type of deposits, payments or charges, including contributions in aid of construction, not inconsistent with law, the Articles of Incorporation of the Cooperative, or these Bylaws, as it may deem advisable for the management, administration, and regulation of the business and affairs of the Cooperative.

Section 9. Accounting System and Reports. The Board of Directors shall cause to be established and maintained a complete accounting system of the Cooperative's financial operation and condition in accordance with acceptable business accounting practices and procedures. The Board of Directors shall also, after the close of each calendar year, cause to be made a full, complete, and independent audit of the accounts, books and financial condition of the Cooperative as of the end of such calendar year. A summary of such audit reports shall be submitted to the members at the following annual meeting. The Board of Directors may authorize special audits, complete or partial, at any time and for any specified period of time.

Section 10. Removal of Directors. A Director may be removed for cause at any time by the Members pursuant to the procedures specified in this Section. Any Member may bring charges, specifying the causes for removal against a Director, by filing such charges in writing with the Secretary together with a petition signed by ten (10) percent of all Members requesting the removal of the Director in question ("Removal Petition"). The Removal Petition must be validated, and shall contain the specific charges of misconduct. The Removal Petition shall be heard and voted upon at the next Member Meeting. The affirmative vote of ten (10) percent of all Members is required to effect such removal. The Director against whom such charges have been brought shall be informed in writing of the charges at least thirty (30) days prior to the Member Meeting. That Director shall have an opportunity at the Member Meeting to be heard in person or by counsel and to present evidence, and the person or persons bringing the charges against him will have the same opportunity. If the removal of more than one Director is sought, a separate vote shall be taken as to each Director. The term "for cause" as used in this Section is defined as malfeasance in office-- that is, the commission of an act which is knowingly unlawful and which affects, interrupts or interferes with the performance of official duties, or which constitutes a gross abuse of office amounting to a breach of trust.

Section 11. "Close Relative" Defined. As used in these Bylaws, "close relative" means a person who, by blood or in law, including half, foster, step and adoptive kin, is either a spouse, child, grandchild, parent, grandparent, brother, sister, aunt, uncle, nephew or niece of the principal. The term husband and wife shall also mean persons who are living together in a conjugal relationship even though not ceremonially married.

ARTICLE IV MEETINGS OF DIRECTORS

Section 1. Regular Meetings. A regular meeting of the Board of Directors shall be held without notice other than this Bylaw, immediately after adjournment of the annual meeting of the members, or as soon thereafter as conveniently may be, at such site as designated by the Board of Directors in advance of the annual meeting. A regular meeting of the Board of Directors shall also be held monthly at such date, time and place in one of the counties in Texas in which the Cooperative serves, as the Board of Directors may provide by resolution. Such regular monthly meetings may be held without notice other than such resolution fixing the date, time and place thereof; provided that if a policy is established by the Board of Directors, the Chairman may change the date, time or place of a regular monthly meeting for good cause and upon not less than two (2) days notice thereof to all directors.

Section 2. Special Meetings. Special meetings of the Board of Directors may be called by the Chairman or any three (3) directors. The person or persons authorized to call special meetings of the Board of Directors may fix the date, time and place for the holding of any special meeting of the Board of Directors called by them, which shall be held in one of the counties in Texas in which the Cooperative serves, unless all directors consent to the meeting be held at some other place in Texas or elsewhere.

Section 3. Notice. Notice of the date, time, place and purpose of any special meeting of the Board of Directors shall be given at least five (5) days previous thereto, by written notice, delivered personally or mailed, to each director at his last known address. If delivered, such notice shall be deemed to be delivered when deposited in the United States mail so addressed, with postage thereon prepaid. The attendance of a director at any meeting shall constitute a waiver of notice of such meeting, except in case a director shall attend a meeting for the express purpose of objecting to the transaction of any business because the meeting shall not have been lawfully called or convened.

Section 4. Quorum. The presence in person of a majority of the directors in office shall be required for the transaction of business and the affirmative votes of the directors present shall be required for any action to be taken: **PROVIDED**, that a director who by law or these Bylaws is disqualified from voting on a particular matter shall not, with respect to consideration of and action upon that matter, be counted in determining the number of directors in office or present: **AND PROVIDED FURTHER**, that, if less than a quorum be present at a meeting, a majority of the directors present may adjourn the meeting from time to time, but shall cause the absent directors to be duly and timely notified of the date, time and place of such adjourned meeting.

Section 5. Manner of Acting. The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, except where otherwise required by these Bylaws.

Any action required or permitted to be taken at a meeting of the board may be taken without a meeting if consent in writing, setting forth the action taken, is signed by all the board members and such consent shall have the same force and effect as a unanimous vote at a meeting. Directors may participate in and hold a meeting by means of conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other.

ARTICLE V OFFICERS

Section 1. Number. The officers of the Cooperative shall be a Chairman, Vice-Chairman, Secretary and Treasurer, and such other officers as may be determined by the Board of Directors from time to time. The offices of Secretary and Treasurer may be held by the same person.

Section 2. Election and Term of Office. The officers shall be elected annually by and from the Board of Directors at the first meeting of the Board of Directors held after each annual meeting of the members. If the election of officers shall not be held at such meeting, such election shall be held as soon thereafter as conveniently may be. Each officer shall hold office until the first meeting of the Board of Directors following the next succeeding annual meeting of the members or until his successor shall have been elected and shall have qualified. ARTICLE VII CONTRACT, CHECKS AND DEPOSITS

Section 1. Contracts. Except as otherwise provided in these Bylaws, the Board of Directors may authorize any Cooperative officer or officers, agent or agents to enter into any contract or execute and deliver any instrument in the name and on behalf of the Cooperative, and such authority may be general or confined to specific instances.

be in such form and shall contain such provisions as shall be determined by the Board of Directors not contrary to, or inconsistent with, the Cooperative's Articles of Incorporation and Bylaws.

ARTICLE IX NON-PROFIT OPERATION

Section 1. Interest or Dividends on Capital Prohibited. The Cooperative shall at all times be operated on a cooperative non-profit basis for the mutual benefit of its patrons. No interest or dividends shall be paid or payable by the Cooperative on any capital furnished by its patrons.

Section 2. Patronage Capital in Connection with Furnishing Electric Energy. In the furnishing of electric energy the Cooperative's operations shall be so conducted that all patrons will, through their patronage, furnish capital for the Cooperative. In order to induce patronage and to assure that the Cooperative will operate on a non-profit basis, the Cooperative is obligated to account on a patronage basis to all its patrons for all amounts received and receivable from the furnishing of electric energy in excess of operating costs and expenses properly chargeable against the furnishing of electric energy. All such amounts in excess of operating costs and expenses at the moment of receipt by the Cooperative are received with the understanding that they are furnished by the patrons as capital. The Cooperative is obligated to pay by credits to a capital account for each patron all such amounts in excess of operating costs and expenses. The books and records of the Cooperative shall be set up and kept in such a manner that at the end of each fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron, and the Cooperative shall provide each patron of the amount of capital so credited to his/her account upon request. All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in pursuance of a legal obligation to do so, and the patron had then furnished the Cooperative corresponding amounts for capital.

In the event costs and expenses exceed the amounts received and receivable from and directly related to the furnishing of electric energy, hereinafter referred to as "loss", then the Board of Directors shall have the authority to prescribe a fair and equitable manner in which such loss shall be handled, including but not limited to, (1) the carrying forward of the loss to offset future allocations to patrons of the margins from and directly related to the furnishing of electric energy, and/or (2) the offsetting of the loss against unallocated non-operating or other unallocated reserves.

All other amounts received by the Cooperative other than from the provision of electric energy in excess of costs and expenses, shall, insofar as permitted by law, be (a) used to offset any losses incurred during the current or any prior fiscal year as may be determined elsewhere in Section 2, Article IX, (b) used to establish reserves and other capital not assignable to the patrons prior to the dissolution of the Cooperative, and (c) to the extent not needed for these purposes, allocated to its patrons on a patronage basis, and any amount so allocated shall be included as a part of the capital credited to the accounts of patrons, as herein provided.

In the event of dissolution or liquidation of the Cooperative, after all outstanding indebtedness of the Cooperative have been paid, outstanding capital credits shall be retired without priority on a pro rata basis before any payments are made on account of property rights of members: **PROVIDED**, that insofar as gains may at the time be realized from the sale of any appreciated asset, such gains shall be distributed to all persons who were patrons during the period the asset was owned by the Cooperative in proportion to the amount of business done by such patrons, insofar as is practicable, as determined by the Board of Directors before any payments are made on account of property rights of members.

If, at any time prior to dissolution or liquidation, the Board of Directors shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital then credited to patrons' accounts may be retired in full or in part. The Board of Directors shall determine the method basis, priority and order of retirement, if any, for all amounts heretofore and hereafter furnished as capital: **PROVIDED**, however that the Board of Directors shall have the power to adopt rules providing for the separate retirement of that portion ("power supply or other service or supply portion") of capital credited to the accounts of patrons which corresponds to capital credited to the account of the Cooperative by an organization furnishing power or any other service or supply to the Cooperative.

When retirements of capital are made by the Board of Directors, the Cooperative shall be obliged to pay to each scheduled member or former member his share of the capital so retired in accordance with the Bylaws by issuing checks and/or bill credits therefore and mailing same to such members and former members at their last known address; **PROVIDED**, that the Cooperative, before retiring any

capital credited to any patron's account, shall deduct therefrom any amount owing by such patron to the Cooperative, together with interest thereon at the Texas legal rate on judgments in effect when such amount became overdue, compounded annually.

Capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instructions from the assignor, and only to successors in interest or successors in occupancy in all or a part of such patron's premises served by the Cooperative, unless the Board of Directors, acting under policies of general application, shall determine otherwise.

Notwithstanding any other provisions of these Bylaws, the Board of Directors, in its sole discretion, shall have the power at any time upon the death of any patron, that is a natural person, if the legal representatives of said estate shall request in writing that the capital credited to any such patron be retired prior to the time such capital would otherwise be retired under the provisions of these Bylaws, to retire capital credited to any such patron immediately upon such terms and conditions as the Board of Directors, and the legal representatives of such patron's estate, shall agree upon; **PROVIDED**, however, that the financial condition of the Cooperative will not be impaired thereby.

The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of the Articles of Incorporation and Bylaws shall constitute and be a contract between the Cooperative and each patron, and both the Cooperative and the patrons are bound by such contract, as fully as though each patron had individually signed a separate instrument containing such terms and provisions.

Section 3. The Board of Directors may upon the authorization of a majority of those members of the Corporation present at a meeting of the members thereof, consistent with the provision outlined in Section 7 of Article II, sell, lease, exchange, or otherwise dispose of all or substantially all of the Corporation's property to another Corporation doing business in this State pursuant to the Act under which this Corporation is incorporated.
